Love Came Down and Rescued Me (CD)

Fellowship

Split into 2's and ask members to share a memorable, funny or significant story of something that has happened to them recently.

Or share about the best event you've ever been invited to, e.g. a wedding or party etc.

Discipleship

Listen to the DVD clip by James

- Telling your own story
- You have a Before and After
- The difference being a Christian makes to me
- Using *Knowing God Personally*
- Inviting onto the next Christian Basics Course

Read and Reflect:

Take 5 minutes to write down your faith story

Read 2 Corinthians 5:11-21

- What does Paul consider a natural consequence of knowing the lord? (see v's 11,14,15)
- v19 What is the message of reconciliation? How would you explain it to a friend?
- How would you explain the truth of v21 to a non-Christian friend?
- v17 speaks of conversion as being 'a new creation'. What would you say to a new Christian who is concerned that much of their 'old life' still present?
- What do you find difficult about sharing your faith?
- Should we 'make' opportunities to share our faith?

Evangelism

In different 2's to the start of the meeting get members to tell their faith story to each other

- Write down the names of 3 people you want to pray to come to faith on a piece of paper you can keep in your purse/wallet.
- Against each name write how you plan to meet up, go out or do something with each person

Ministry

In your 2's discuss v20. Jesus places great responsibility upon our shoulders.

- How are you doing?
- In your 2's pray for each other and the 3 people on your list
