## Story of Joseph forgiving & blessing his brothers

Today's Bible lesson is about forgiveness. Joseph's dad Jacob enjoyed spending his last few years with his whole family before he died. After Jacob had died Joseph's brothers were scared and worried what Joseph would do next. They had treated him badly all his life and thought that Joseph would seek revenge on them for they had done in the past. They approached Joseph nervously wondering what he might say and do. To their surprise Joseph reassured them that he had no grudge against them. Joseph had did the right and really hard thing, he forgave his brothers. Joseph even blessed his brother and their families and promises to take care of them. What a great brother.
