

Rising Up

VERSE 1

Father, You have always loved us
Since before the world was made
You had a plan, You had a purpose
And in Your Son You made a way

CHORUS

Can't You see we are rising up
The Holy Spirit lives in us
And Jesus, He is holding us together
Together

Can't You see we are taking shape
Our lives reflecting the Father's face
And Jesus, He is holding us together
Together

VERSE 2

Father, we are called and chosen

To be children of the light

Sparkling with heaven's glory

We are precious in Your sight

CHORUS

BRIDGE

Each of us so fearfully and wonderfully made

Born into the family of God Who saves

CHORUS
