

Tent Song

God met with Moses in a tent
God met with Moses there and then
Inside the house where Moses lived
God met with Moses in a tent

And Moses had a very shiny face oh oh
Moses had a very shiny face
'Cause God met with Moses
In that place...

FIRST TIME:

God met with Moses face to face

SECOND TIME:

And they met face to face

CHORUS

So, when I'm in a tent
Oh I will jump and bounce around
You can see it on my face
That my God is in this place!
Oh, when I'm in a tent
Oh I am so so happy!
It reminds me just how much God loves
To spend His time ...with me!

VERSE 2

I am a tent where Jesus lives
I am tent where Jesus lives
And those that I meet
Can meet with Him
'Cause I am a tent where Jesus lives

And now I have a very shiny face oh oh
Now I have a very shiny face
'Cause I've got the Holy Spirit
And He's in my heart to stay

CHORUS

BRIDGE

But way back then in Moses time
Not everyone could go inside
Not without a special sacrifice

But there's a new and living way
Jesus gave His life to say
Everyone can meet with God today!

CHORUS

LAST TIME:

And when I go outside
Oh I'm not leaving God behind
Because... I'm a tent and Jesus loves
To spend His time with me
