

# Only One Thing

## VERSE 1

A knock upon an ancient door  
And all at once His face they saw  
And they knew that it was Jesus, Son of God

## VERSE 2

Martha, she did many things  
To make her house fit for her King  
But there Mary sat and listened at His feet

## CHORUS

Martha, don't you worry  
Remember just one thing:  
You're loved by your King

Martha, look at Mary  
She does the better thing  
In worship of her King

## POST-CHORUS

So don't be so distracted in your ways  
And though you only meant to bring Him praise  
Jesus came to meet with you today

## BRIDGE

Only one thing is needed  
Just to come as we are  
In the presence of Jesus  
We need not look from afar

There's a new way to worship  
Just to sit at His feet  
Only one thing is needed...

Jesus came to meet with you today (x3)
