

Mother Hen

VERSES

A/C# Bm G D
Sometimes I find I'm running around, worried about many things
A/C# Bm G D A
I look up at birds in the air, hear how they sing oh they're cared for

Then Jesus tells me that he gathers anxious hearts close to him

CHORUS

A Bm G D/F#
Like a mother Hen, Who shields her little chick-chickens

A/C# Bm G D
Underneath her wings, You shelter me

With God Most High, Oh we are fly fly flying

We're in heaven's skies, all our lives
